RECORD OF TELEPHONE INTERVIEW AND TERMINAL DISCLAIMER TRANSMITTAL

Mail Stop AF  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

On June 16, 2003, the above-identified Examiner called the undersigned attorney concerning the above-identified patent application for which a Notice of Appeal and Appeal Brief had been filed subsequent to a Final Rejection, and proposed that a Terminal Disclaimer over prior patent US 6,347,719 B1 which issued from prior application Serial No. 09/615,671 be filed. The above-identified patent application is a continuation application of Serial No. 09/615,671. The Examiner indicated that the filing of a terminal disclaimer would obviate the non-statutory double patenting obviousness-type rejection that he wanted to issue and would put the application in condition for allowance. Accordingly, a terminal disclaimer is enclosed herewith. Since the application is now in condition for allowance, it is understood that the Appeal will be withdrawn.

The Office is also authorized to charge any additional fees that are necessary or credit any overpayment to Deposit Account No. 50-0383. This letter is submitted in duplicate for charge purposes.
